

The Piano Lab
Summer Instruction begins June 11 through August 31

Summer is one of the best times to continue or begin lessons without the pressures of the school year. We offer private piano, voice, guitar and wind lessons for ages 5 and up, and Kindermusik for your babies, toddlers and preschoolers.

For current students, we recommend a minimum of 8 summer lessons to retain skills learned throughout the year and so as not to interrupt progress. By taking an entire summer off, weeks of review may have to take place when returning to lessons in the Fall. Most of our teachers continue to work over the summer months, and will work with you to schedule lessons.

For new students, adults and children can get a jump start over the summer and will learn basic pianistic and note-reading skills. A piano or keyboard in your home is required in order to be able to practice your assignments. We recommend 8 lessons, ½ hour per week.

Tuition is \$24.00 per half hour, \$36.00 per 45 minutes and \$48.00 per hour. We offer lessons between June 11 and August 31. Let us know how many lessons you would like to take, and work with your current instructor for days and times. If you are a new student or requesting a new instructor, please indicate your preferred days and times.
